Learning Points

Adverbs of Frequency - How Often

Adverbs of frequency (*always, usually, never, etc.*) say how often something happens.

Adverbs	How often?
always	100%
usually	60%
rarely	10%
never	0%

You usually put adverbs of frequency before the verb.

The adverb can *sometimes* be in different positions in the sentence. For example, you put the adverb of frequency after the verb **to be**.

Examples:

- *This coffee shop is **always** busy.*
- *I **usually** go for a walk in the neighborhood.*
- *I **always** eat dinner in the kitchen.*
- *I **always** go to yoga class on Wednesdays.*
- *Susan **rarely** eats breakfast.*
- *Robert **never** drinks tea.*
